

EWP WARRANTY

Drive Confident with EWP Warranty

WWW.EWP2U.COM.MY

SUPERCAR

WARRANTY PLAN

PERIOD OF COVER

1 Year with Unlimited Mileage
2 Years with Unlimited Mileage

CLAIM LIMIT

RM 25,000 Per Claim &
Unlimited Number Of Claims In Aggregate

What Parts Are Covered?

ENGINE

- Cylinder Head
- Engine Block
- Oil Pump
- VVT Gear
- Piston
- Hydraulic Tappets
- Flywheel
- Crankshaft
- Connecting Rod
- Timing Solenoid Valve
- Camshaft Bearing Cap
- Camshaft Spacer Ring
- Camshaft Pushrod
- Camshaft Follower
- Rocker Arm
- Camshaft
- Engine Valve
- Valvematic Motor
- Balancer Shaft
- Eccentric Shaft
- Camshaft Adjuster
- Oil Pump Solenoid Valve
- Engine Variable Solenoid Valve
- Connecting Rod Bearing
- Crankshaft Spacer Ring
- Main Bearing
- Valvetronic Motor

GEARBOX / TRANSMISSION

- Torque Converter
- Valve Body
- Friction Set (Repair Kit)
- Planetary Gear Set
- Brake Band
- Mechatronic Unit
- Transmission Oil Pump
- Tiptronic Shifter
- Input & Output Shaft
- Drive & Driven Gear
- Transmission Control Solenoid
- Bonded Piston
- Shift Plate Electrical Kit
- Gearbox Inner Bearing (Repair Kit)

4WD / AWD SYSTEM

- Front Axle
- Rear Axle
- Differential
- Limited-Slip Differential
- Transfer Case
- Spider Gear Set
- Differential Plate
- Transfer Case Shaft Motor

FUEL SYSTEM

- Fuel Pump
- Fuel Injector
- Throttle Actuator
- Fuel Float
- Diesel Injection Pump
- Emission Air Pump
- EGR Valve
- EGR Motor
- Engine Vacuum Pump
- Fuel Pressure Regulator
- Pressure Regulation Valve
- Electrical Acceleration Pedal
- High-Pressure Fuel Pump

What Parts Are Covered?

SENSOR

- Engine Oil Pressure Sensor
- Knock Sensor
- Crank Position Sensor
- Eccentric Shaft Sensor
- Engine Oil Level Sensor
- Cam Position Sensor
- Transmission Speed Sensor
- Drive Position Sensor
- Gear Selector Sensor
- Fuel Level Sensor
- Throttle Position Sensor
- PBD Touch Sensor
- High-Pressure Fuel Sensor
- Intake Air Flow Sensor
- Mass Airflow Sensor (MASS)
- NOx Sensor
- EVAP Flow Sensor
- Pedal Position Sensor
- DPF Pressure Sensor
- Oxygen Sensor
- Turbo Pressure Sensor
- Purge Flow Sensor
- Charge-Air Temperature Sensor
- Fuel Float Sensor
- MAP Sensor
- Absolute Pressure Sensor
- Engine Temperature Sensor
- HVAC Sensor
- Coolant Temperature Sensor
- Transmission Temperature Sensor
- Water Pump Auxiliary Sensor
- Steering Angle Sensor
- Steering Pressure Sensor
- Wheel Speed Sensor
- Anti-Lock Brake Sensor (ABS Sensor)
- Yaw Rate Sensor
- Lateral Acceleration Sensor
- Air Conditioning Auxiliary Sensor
- Air Conditioning Temperature Sensor
- Air Conditioning Pressure Sensor
- Solar Automatic Sensor
- Ambient Air Temperature Sensor
- Outside Temperature Sensor
- SRS Sensor
- Door Handle Keyless Sensor

CONTROL UNIT

- Engine Control Module
- ISM Module
- Electronic Hydraulic Control Module
- Transmission Control Module
- CAS Module
- Transmission Selector Module
- Transfer Case Control Module
- Sunroof Module
- Gear Shifting Control Module
- Haldex Control Module
- Steering Module
- Ignition Module
- Glow Control Module
- Parking Brake Module
- Rear SAM Module
- ABS Control Module
- Climate Control Module
- HVAC Control Module
- I-Drive Module
- Front SAM Module
- Footwell Module
- Junction Box Module
- Headlight Module
- Convertible Roof Module
- Seat Module
- Xenon Module
- Central Gateway Module
- Body Control Module

What Parts Are Covered?

COOLING SYSTEM

- Water Pump
- Turbo Coolant Pump
- Temperature Switch
- Coolant Outlet Actuator
- Coolant Fan Motor
- Radiator Fan Motor
- Auxiliary Coolant Pump
- Transmission Coolant Pump
- Thermo Pneumatic Valve
- Electric Changeover Valve

STEERING SYSTEM

- Steering Rack
- Steering Column
- Steering Motor
- Steering Pump
- Steering Ignition Actuator

IGNITION SYSTEM

- Ignition Coil
- Steering Ignition Actuator

BRAKE SYSTEM

- Brake Master Pump
- Brake Servo Motor
- Brake Booster
- Parking Brake Motor
- ABS Pump
- Brake Switch
- Caliper (Repair Kit)

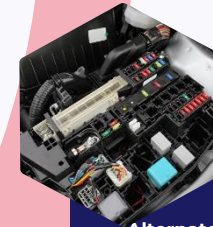

AIR CONDITIONING SYSTEM

- Air Conditioning Compressor
- Blower Motor
- Stepper Motor
- Servo Motor
- Air Fresh Motor
- Air Flap Motor

TURBO SYSTEM

- Turbo
- Supercharger
- Turbo Control Solenoid
- Electronic Wastegate
- Turbo Actuator

ELECTRICAL COMPONENT

- | | |
|--------------------------------|------------------------------|
| • Alternator | • Sunroof Motor |
| • Starter Motor | • Wiper Motor |
| • Power Window Motor | • Seat Motor |
| • Power Door Motor | • Headlight Ballast |
| • Power Door Mechanism | • Power Window Main Switch |
| • Power Window Regulator | • Instrument Cluster |
| • Central Locking Actuator | • Power Boot Motor |
| • Highbeam Bladescan Mechanism | • Soft-Close Vacuum Actuator |
| | • Engine Lid Blower Fan |

MAJOR OIL LEAKS

- Flywheel Oil Seal
- Torque Converter Oil Seal

SERVICE MAINTENANCE REQUIREMENT

KEEP YOUR VEHICLE IN THE BEST CONDITION

Your vehicle is strongly advisable to carry out the service maintenance at our authorized workshops which listed in our website www.ewp2u.com.my in accordance with the service requirement of this warranty which is

- **7,000kms (4,350miles) / 3 months whichever comes first for vehicles using semi-synthetic engine lubricants.**
- **10,000kms (6,250 miles) / 6 months whichever comes first for vehicles using fully-synthetic engine lubricants.**

The vehicle must be serviced within 500kms either side of service mileage or 10 days either side of due date to maintain the validity of your warranty.

Warranty Overview

Service Records

Keep all service receipts. Ensure the workshop records the service date and mileage on these receipts.

Warranty Repairs

Repairs involve either fixing or replacing damaged components using used, reconditioned, or aftermarket parts.

What is Covered

Warranty claims are limited to the parts and labor specified in the "What Parts Are Covered" section.

1

Servicing

We recommend servicing your car at authorized panel workshops in accordance with the service maintenance requirements in your E-Warranty Cover.

2

Claims

Warranty claims must be processed at authorized panel workshops only.

3

4

5

Betterment

If new genuine parts are required (due to unavailability or car owner's request), the warranty covers up to 50% of the cost.

6

7

What is Not Covered

Items such as wear and tear, miscellaneous parts, serviceable items, modifications, coding, programming and parts not listed in the 'What Parts Are Covered' section are excluded from warranty coverage.

ABOUT US

EWP Services Sdn Bhd

EWP Warranty (M) Sdn Bhd is a trusted car warranty provider in Malaysia, specializing in warranties for reconditioned and used vehicles. With a strong track record of proven reliability, EWP Warranty focuses on protecting car owners from unexpected repair costs, offering comprehensive and customizable plans specifically tailored to the needs of the pre-owned vehicle market. Known for its efficient claims process and customer-centered approach, EWP Warranty (M) Sdn Bhd stands out as a dependable partner for used car dealerships and individual owners alike, helping to add value and peace of mind to each vehicle purchase.
